About The Show

Agroshow Eurasia Agricultural Machinery and Technologies Specialization Fair opened its doors for the first time on 7–10 December 2022 as the first B2B fair that focuses entirely on foreign customers in the field of agricultural technologies. Agroshow Eurasia, which offers you areas where you can comfortably execute your marketing activities away from busy crowds to develop your company's cooperation and commercial network by bringing together domestic manufacturers and international professionals, aims to be a brand fair that contains all the international brands of the sector, not only for Turkey but for all countries of the world.

Agroshow Eurasia, focused on professional international visitors, will open its gates for the second time in 2023. You can take your spot at AgroShow Eurasia on 6–9 December 2023 to create and strengthen your international business connections and increase your global market share.
